&9733 Christopher Barson Interior Associates Project: Prominent DC Residence

- [Square \(150 × 150\)](#)

This colorful and fun gathering-room" was designed from scratch...I provided the space plan, the built-ins, the colors, the upholstery and overall design to compliment my clients Dr. Seuss art collection as well as her fondness for felines...Every decorative object and furnishing in this photograph is of the very best quality. Formal Informal -Serious-Whimsical-Bold-Soft.. call it whatever you like...it's just a beautiful place to lounge and enjoy a video, some music, a glass of wine and some friends.
